

THE ANATOMY OF A TEAM

Team vs. Club

A Club

Keeps company.
Companionship is Optional.

A Team

Carries weight.
Mission is Proximate/Vital.

THE POWER OF THE "SIX"

You cannot see your own blind spots;
you need brothers to watch your back.

SOCIAL CIRCLES VS. SHIELD LOCK

FEATURE	THE SOCIAL CLUB	THE SHIELD LOCK TEAM
Promise	Companionship (Optional)	Mission (Proximate/Vital)
Response to "I'm Good"	Accept and move on	Pursues the second sentence
Reliability	Fails during crisis	Built specifically for the storm

HEDGES AGAINST THE "FLUX"

High points support
low points.

Low points support
high points.

Lock Shields:

The Power of the
Three-Fold Cord

THE 3P BLUEPRINT

PROXIMITY (PHYSICAL NEARNESS)

Trust is built through
physical presence, not
digital distance.

PURPOSE (THE WHY)

The group exists
specifically to fight
isolation and stay sharp.

PERIODIC (THE SCHEDULE)

Consistent maintenance
is better than waiting for
an emergency to meet.
